

## Dunnville Farmers' Market - MUSICAL VENDOR Application Form

Part of what makes our farmers' market so special is the great local musical talent we're able to provide for the enjoyment of customers and vendors alike.

Live music at our market contributes to a fun, festive atmosphere and benefits local businesses as well. Please complete the application and submit to be considered for a slot at the Dunnville Farmers' Market.

We aim to provide a diversity of musical genres for our market to appeal to a wide range of interests. The DFM music submission committee reviews music submissions and make selections for the season.

**In addition to the application please submit a sample of your music, either a CD by mail, or a link by email, or drop off at the market.**
